REQUEST FOR CORRECTED FILING RECEIPT

Sir:

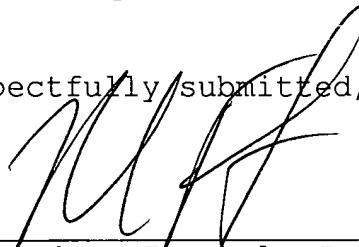

Attached is a copy of the official Filing Receipt for this patent application. As indicated in red on the Filing Receipt, the PTO incorrectly indicated that the date of provisional application 60/156,111, from which this case claims priority, was inconsistent with PTO records.

Enclosed are copies of the Filing Receipt for provisional patent application Serial No. 60/156,111, the first page of this application, the PrintEFS data sheet filed with this application, and the executed Declaration filed with this application. These papers show that a proper priority claim to

provisional patent application Serial No. 60/156,111 was made, and that the filing date of that application was September 24, 1999.

Please issue a corrected Filing Receipt in which the data inconsistency statement is removed. If any fee is deemed to be due in connection with this Request, the Patent Office is hereby authorized to charge the fee to Deposit Account No. 06-1075. A duplicate copy of this Request is enclosed.

Respectfully submitted,
